Description

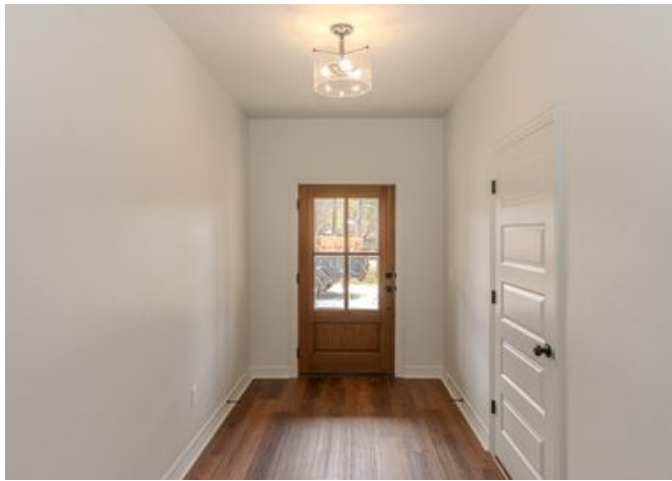

Experience refined living in this exceptional 6-bedroom, 5.5 bath residence designed for comfort and elegance. Featuring soaring ceilings and a seamless open concept layout, the gourmet kitchen showcases stunning granite countertops and an impressive 12- foot island overlooking the family room, perfect for entertaining. The thoughtfully designed floor plan includes a private home office, versatile flex space, spacious walk-in closets, and convenient Jack and Jill bathrooms. The primary suite offers a relaxing retreat while the covered patio provides ideal indoor-outdoor living. A perfect blend of sophistication, space, and modern functionality.
