Description

Welcome to Porters Place 6, a contemporary 4-bedroom villa in a private gated community on the West Coast of Barbados. Porters Place 6 is a thoughtfully designed villa offering comfort, privacy, and modern Caribbean living. Located in the exclusive gated community of Porters Place, this 4-bedroom, 4-bathroom home sits on a private, landscaped lot just moments from the beach and the heart of Holetown. The villa features an open-plan layout that flows seamlessly between the interior and exterior spaces. A generous outdoor terrace offers a perfect setting for entertaining, with a covered dining area, barbecue station, retractable awnings, and a private swimming pool—an inviting space to enjoy the sunshine or unwind in the shade. Inside, a stylish, modern kitchen with a central island and high-end finishes opens to a bright and breezy living area. Air conditioning runs throughout, and soft neutral tones, natural textures, and curated artwork create a relaxed, coastal feel. Each of the four bedrooms is well proportioned and designed with privacy in mind. The primary suite is a standout, with a king-size bed, direct poolside access, ample closet space and a beautifully finished ensuite bathroom that feels like a private spa. Completed in 2022, Porters Place is a wellness-focused development with amenities including a fully equipped gym, residents' meeting room, and an organic community garden. Its location on the West Coast puts you within walking distance of the beach and under five minutes from Holetown's shops, restaurants, and essential services. Golf courses, tennis clubs, spas, and marinas are also nearby. Whether you're seeking a full-time residence, a vacation home, or a short-term rental investment with strong returns, Porters Place 6 offers an ideal blend of lifestyle and value.
