Description

St. James This waterfront townhouse is not just a home....it's a lifestyle! This spacious home is perfect for families looking for a prime location in the highly sought after community of 22 Freeport. The unit has a ground floor bedroom and bathroom with a large primary suite upstairs with an ensuite bathroom and large walk-in closet with views out to sea. A home-office upstairs currently configured for family use can easily be absorbed into the master-suite. Two additional bedrooms are on this level also with ensuite bathrooms and an additional room that can be used as a TV room or Study. The open floor plan on the ground floor is ideal for entertaining and leads out to a lovely covered patio facing the sea. The laundry room adjoins the kitchen and there is a separate detached bedroom and bathroom. 22 Freeport is a beautifully maintained gated community with 24-hour security, a fully equipped gym, playground and large swimming pool right on the water's edge. 22 Freeport had minimal impact in Hurricane Melissa and this unit had no damage at all! Viewing by appointment only. ***This unit has been virtually staged and is being sold unfurnished.
