Description

Luxury One Bedroom Apartment The Swellengrebel apartments offer an exclusive opportunity to own a beautifully renovated residence within a secure and stylish complex. Spanning three levels—lower, ground, and first floor—the development comprises just 13 thoughtfully designed units, all finished to a high modern standard. This is the final 1-bedroom apartment available. The unit features a well-appointed kitchen with a gas hob, under-counter oven, granite countertops, and a connection point for a dishwasher or washing machine. Generous built-in cupboards provide ample storage, ensuring both comfort and practicality. Security and convenience are key, with the property fully enclosed, an electric entrance gate, and controlled access at the lobby. Each apartment also includes a dedicated parking bay. The apartments are offered under a Sectional Title Scheme, with transfer duty included in the price—adding further value to this exceptional offering. Ideally located, the complex is within easy walking distance of a new shopping centre, retail outlets, and medical facilities, making everyday living effortless. Don't miss this rare opportunity to secure the last available unit in this sought-after development. 2-Bedroom units also available, call us for further information.
