Description

House with four bedrooms for sale in Aime La Plagne. Massive garden and close to La Plagne, Paradiski - A lovely house with lots of charm and character and potential renovation projects in the town of Aime La Plagne. The shops, bars and restaurants, as well as the train station are on your doorstep and the ski resort of La Plagne is only a short drive away. The owners have started to renovate the house so that the four bedrooms and two bathrooms are ready to move into but you can put your stamp on this property as one of the bathrooms could be modernised and there is a functional but simple kitchen. The lounge area is the central hub of the house with three bedrooms above and one on the floor below. The views from the east-facing balconies are beautiful; up the valley and with a small stream running past the property it feels as though you are in the countryside even if you are in the middle of the town. The loft space has yet to be developed and the garden area is ready to be turned into a quiet haven with plenty of space to have several terraces.
