## Description

PM6179As a property investor, by now you should know that anything in the market at the Village is a gem and rare to find. We are bringing a unique opportunity at The Village, refined living in one of Gaborone's most prestigious neighbourhoods. Set on an expansive 920sqm plot, this exceptional property offers space, elegance, and unmatched comfort in a serene, high-end environment. This stunning home boasts three generously sized bedrooms, perfectly designed to accommodate family living while maintaining privacy and tranquility. With three spacious lounges, the home provides multiple living and entertainment areas which are ideal for hosting guests, relaxing with family, or creating a home office, or indoor play area for young children. The property also features a double garage, ample yard space, and a beautifully quiet setting, making it a perfect retreat from the bustle of city life. Despite its peaceful surroundings, the home is conveniently located just moments away from Riverwalk Mall, offering easy access to shopping, dining, and essential amenities. Combining prime location, generous space, and upscale living, this property presents a rare opportunity to own a home in one of Gaborone's most sought-after areas. This won't last long in the market, call for more pictures.
