Description

THE VENDOR IS HAPPY TO DISCUSS SENSIBLE OFFERS This impressive detached property offers five bedrooms and five bathrooms, set within its own fully fenced and gated grounds just 2 km from the bustling market town of Vera. Combining a peaceful countryside setting with excellent accessibility, the home enjoys breathtaking views of the surrounding mountains, distant sea views and landscape while remaining close to all amenities. An electric gated entrance opens onto a spacious gravelled driveway with ample off road parking, complemented by landscaped gardens, mature trees, a private garage, and a car port. To the front of the villa is a bespoke private swimming pool and terrace area with hottub, a superb outdoor space designed for relaxation and entertaining, with multiple seating areas and south facing views across the countryside. Inside, the property welcomes you with a large entrance hallway. Directly ahead, double doors open into a spacious open plan living room featuring floor to ceiling windows and sliding doors that overlook the pool area. A striking floating log burning fireplace and the stunning views create a truly impressive living space. The kitchen, accessible from both the lounge and the hallway, is bright and airy, flowing seamlessly into a dining area and a cosy snug with a second log burning fireplace, offering an ideal secondary living space. The kitchen is fully fitted with a wide range of wall and base units, a large central island, and high ceilings with additional windows that flood the room with natural light. A separate utility room provides further storage and practicality. The ground floor also accommodates two family bathrooms, two guest bedrooms currently used as a study and craft room, and the primary suite, which includes a dressing area and en suite shower room. All bedrooms on this level benefit from patio doors leading onto a south facing terrace. Upstairs, there are two further bedrooms, including a double bedroom with fitted wardrobes and en suite shower room, and a second primary suite with a large en suite bathroom featuring a walk in shower. Both bedrooms have access to an expansive wraparound terrace, offering spectacular 360 degree views of the surrounding countryside and mountains. In addition to the main house, the property includes a separate cabin currently used as a snooker and entertainment room, adding further versatility to this exceptional home. A lower tier of land provides additional space, ideal for gardening, planting, or even keeping animals. The property is equipped with solar panels, oil fired central heating, and air conditioning throughout, ensuring comfort and efficiency all year round.
