Description

A stunning sea view plot with building licence already in place, in a highly desirable area. Salvia Land is located in Apolisies and enjoys wonderful views south facing views towards Corfu Town. Not too steep and with water and electricity easily available, it is an excellent location to build a holiday villa or year-round home. Plans have already been approved for a luxury four bedroom villa with private swimming pool. The land is located a short drive from all the well-known resorts and beaches of the area, such as Barbati, Nissaki and Kaminaki.
