Description

Villa Madeleine - St. Croix This premier end-unit villa with private pool & generator offers the ultimate in privacy, accessibility, and breathtaking scenery including Caribbean Sea views. With no stairs to navigate inside or out - this 2-BR, 2-Bath retreat is designed for effortless island living. Many thoughtful upgrades include an automatic 11KW Generac generator (only a few units in complex are allowed to have them), solar pool pump, new split AC units in each room, whole house PURA ABUV-8 ultraviolet light water filtration system, built in storage below pool deck, and upgrades to the kitchen including top quality countertops with rich blue tiles as the back splash, and new appliances. This location is ideal for anyone wanting privacy, and no one looking down on their pool, sea views from the pool deck and easy
