Description

Stonehaven - Stonehaven ~ Built to Belong Stone & Sea Once in a while, a home comes to market that feels as though it truly belongs to its surroundings crafted not just on the land, but from it. This remarkable three-bedroom residence on Great Camanoe is exactly that. Finished largely with locally sourced island stone, the home has stood the test of time with quiet confidence its character deepening with the years, its presence as enduring as the landscape it overlooks. The main upper level offers two bedrooms and two bathrooms, with a naturally flowing layout designed to embrace light, breeze, and those extraordinary views. Below, a self-contained studio apartment provides flexibility ideal for guests, extended family, or rental income. Positioned to capture the prevailing trade winds, the home remains cool and comfortable year-round, while its elevated setting delivers sweeping, uninterrupted views across the Caribbean Sea the kind that change with the light and never lose their magic. Surrounded by lush vegetation and set in complete privacy, this is a home that offers true escape. No noise, no rush just the rhythm of the breeze and the sound of the sea. Great Camanoe itself remains one of the British Virgin Islands best-kept secrets peaceful, unspoiled, and wonderfully authentic. For those seeking a more refined kind of island living, further details on the island can be found at www.greatcamanoebvirealestate.com Timeless. Private. Authentic. A rare opportunity to own a piece of the island exactly as it should be.
