## Description

A private three bedroom villa with wonderful sea views towards the bay of Agios Gordis. Situated amongst the pine trees on the hill overlooking Agios Gordis, this property has been designed to make the most of its premium location. A driveway leads up to the top of the plot where there is parking for a couple of vehicles. Terraces wrap around the property offering shady spots to relax and take in the quiet location and views. The ground floor has a large open plan room with a kitchen and dining/sitting room complete with fireplace. Sliding doors lead out to the balcony at the front and the pool terrace at the side of the house. There are two bedrooms on this level, both with access to sea view terraces, and a shower room. Upstairs is the main bedroom with ensuite bathroom. A large balcony at the front offers a private space to enjoy the view and sunsets. Air conditioning is installed in all the bedrooms. The infinity pool measures 8m x 5m, whilst the terrace offers ample space for sunbathing and lounging by the pool. The summer resort of Agios Gordis is a short 10 minute drive from the villa, and the traditional villages of Sinarades and Kinopiastes offer year round facilities.
