Description

Unique 4 bedroom villa with pool in the heart of Lagos with private swimming pool and rooftop terrace This unique 4 bedroom villa with private swimming pool and roof terrace is situated in the heart of Lagos historic centre. Rich in character, this beautiful villa offers a rare opportunity to own one of Lagos' most unique properties. Located within the city walls of Lagos, in a tranquil position just a few minutes walk from all the amenities of Lagos, this property combines the charm of historic surroundings with a sense of privacy and serenity. Beautifully maintained and full of traditional architectural character, the property has been thoughtfully designed across three independent levels, each functioning as a self-contained living space, ideal for a large family, hosting guests, or as a premium investment opportunity. Entering through a beautiful grand door at ground level, you are welcomed into a private oasis where manicured patios, colourful flowerbeds, and lush Mediterranean planting frame the swimming pool and create an atmosphere of complete seclusion. A generous covered terrace stretches along the front of the villa, and offers a perfect spot for dining, entertaining, or simply relaxing beside the pool. This level hosts a spacious two-bedroom residence, including a master en-suite bedroom, a second guest bedroom, an additional bathroom, and expansive open-plan living and dining areas seamlessly connected to the kitchen. Ascending the exterior staircase, you arrive at a fantastic sun-drenched terrace leading to the second independent apartment. This beautifully proportioned one-bedroom suite features a bathroom and a large open-plan living area with kitchen, all opening onto the terrace where stunning views over the rooftops and historic walls of Lagos begin to unfold. From here, the home enjoys sunshine throughout the day in an elevated and peaceful setting. A further staircase rises to the top floor, where a charming studio awaits, accompanied by a rooftop terrace. This spectacular final level offers panoramic views across the historic centre, with the sea shimmering in the distance, an unforgettable vantage point for sunset evenings, morning coffee, or entertaining. There is space to park a small car directly in front of the villa, with additional free public parking just 100 metres away, an exceptional advantage in such a privileged historic-centre location. Properties of this calibre and individuality are exceptionally rare within Lagos' historic heart. Offering privacy, architectural charm, outdoor space, a swimming pool, multiple independent living areas, and sea-view terraces, all within the old town walls, this is a home without comparison.
