Description

Kingston & St. Andrew Location, location, location. This quaint, four (4) bedroom, three (3) bathroom house is seeking the right owner. Located on a quiet cul-de-sac, yet a 5-minute drive from Liguanea, the golden triangle, where some of the best schools, the national stadium, and all the needed conveniences are located. A well-fruited yard and a fairly long driveway allow access. Downstairs houses a verandah, kitchen, living, dining, laundry, study, a bedroom, and bathroom. Ascend the wooden staircase to the primary bedroom, which has its own generously sized balcony overlooking the driveway and a section of the landscape. The other two bedrooms share a bathroom. Both bathrooms upstairs have been upgraded. The well-fruited yard with pomegranate, ackee, naseberry, and an East Indian Mango Tree allows a quiet retreat and for one to be at one with nature and the outdoors. This house is fully gridded, insect-screened, has inverter a/c units in the primary and living rooms, and has another a/c in the other bedroom. Call today to view this house.
