Description

An immaculate two bedroom villa with private swimming pool, in a peaceful location. Situated in the popular residential area of Poulades, this detached property has been carefully updated by its current owners and is now a comfortable year round home. The last property in the row of a small development, the garden is almost completely flat and surrounds the house on three sides. A private gateway leads into the grounds where there is ample parking space for several cars. The front door leads straight into the main room, with a modern kitchen to one side, and a dining/sitting area with a woodburner for the cooler months. Also on this level is a double bedroom, a shower room plus a separate storage/laundry room. The sitting room and bedroom have patio doors leading out to the pool terrace behind the house. A wooden spiral staircase leads to the upper level where there is a further bedroom with ensuite shower room. A large terrace wraps around most of the property, with views across the countryside and towards the sea and Corfu Town in the distance. The kitchen and bathrooms have been recently updated, as has the exterior of the property. There is central heating throughout the property, as well as air conditioning. Poulades is conveniently located just a short drive from Gouvia marina (10 minutes), Corfu Town (20 minutes), and within easy reach of beaches on both the west and east coast of the island.
