Description

A stunning three bedroom house which has been refurbished by the owner to an extremely high standard, located in a prime residential road moments to the High Road. The house comprises a fully open plan ground floor reception room which flows through to a stunning kitchen with high spec appliances, flooded with natural light with bi-folding doors leading onto a secluded low maintenance garden. On the first floor there are two very luminous double bedrooms, both with fitted wardrobes and a beautiful family bathroom. At the top of the house there is a bright study and additional double bedroom with a well appointed en-suite shower room and ample storage. Dale Street is a highly sought after road, very quiet and located just off the Chiswick High Road and within close proximity to Turnham Green Tube station (District line). For the motorists, the A4/M4 is close by.
