Description

Stylish Duplex with Private Pool in Prime Location This semi-detached duplex is undergoing a complete refurbishment in one of Puerto del Carmen's most desirable residential areas, close to the Gran Casino. Finished to a high contemporary standard, with premium materials and a warm, neutral colour palette throughout. The ground floor features a spacious open-plan living room, dining area and fully fitted kitchen, with floor-to-ceiling sliding doors opening directly onto the private terrace and pool area. An en-suite bedroom on this level is ideal as a guest suite or for single-level living. Upstairs, the master bedroom has its own en-suite bathroom with walk-in shower, alongside a second bedroom and additional bathroom. All bathrooms come fully fitted with contemporary fixtures and finishes. All bedrooms come with pre-installed air conditioning, with the living area fully air-conditioned as standard. The corner plot provides a completely private outdoor space with a heated pool, covered terrace, outdoor bathroom and private parking, all enclosed by volcanic stone walls for a distinctly Lanzarote feel. Just five minutes from the beach and the main avenue, the property is walking distance to everything you need while still enjoying complete peace and quiet. Completion is expected in Q4 2026, with optional upgrades and modifications available depending on the stage of construction at the time of purchase. An additional furniture package is also available to match the renders, allowing the property to be delivered fully turn-key on completion.
