(\$649,000)

Description

St. Mary Nestled amidst a lush green garden, this two-story house exudes warmth and elegance. Its classic exterior, adorned with an intricate gingerbread trim and a welcoming front porch, creates a picture-perfect facade. Greeted by a spacious foyer and an inviting living room with natural lights that illuminate the space and provide a focal point for gathering and relaxation. The dining room is equally impressive. A gourmet kitchen with custom cabinetry, granite countertops, and a cooktop stove provides ample space and a casual spot to enjoy meals. Additional bedrooms, each with ample closet space, provide comfortable accommodation. Upstairs is a sanctuary of tranquility that holds the master suite, and its balcony provides a luxurious retreat. With a breathtaking view of the Caribbean Sea. The ensuite bathroom features a double vanity, a standing shower, and a jacuzzi. There is also an additional bedroom upstairs. The backyard has a larger patio shaded by lush fruited trees an outdoor seating area makes it easy to host summer gatherings. This beautiful two-storey house seamlessly blends classic char creating a warm and inviting home for families and those who appreciate timeless elegance.
