Description

St. MaryThe north coast corridor is where you want to be! Yes, Boscobel has reopened the Ian Fleming International Airport and we are seeing quite an uptick in activity and growth. Yes, several housing projects have completed and sold out in and around Ocho Rios, while others are underway and experiencing the same growth. Oracabessa is a sweet town with all that one requires. We are on the outskirts of Ochi with all of the accessibility all that it has to offer plus we have the small town vibe. This quaint 3 bedroom 2 bath home is located on the main road in this lovely town. They dont build homes like this anymore, sound, solid and spaious. Yes, she is a diamond in the rough and we all know that this home is both an investment and an excellent opportunity for anyone who wants to put their own stamp on the design of their home. 'Bessa is best!
