Description

A well presented four bedroom semi-detached family home with wraparound garden situated on a rare corner plot. Positioned on a rare corner plot at the junction of Chesterfield Road and Milnthorpe Road, this impressive four bedroom semi detached family home offers generous living space, a wraparound garden and excellent natural light throughout, along with exciting future potential. The property is presented in good condition and extends to approximately 1,587 sq ft. A spacious entrance hallway sets the tone, with a guest cloakroom and useful storage. To the front, a substantial double reception room features double doors opening directly onto the front garden, creating a bright and versatile living and entertaining space. To the rear, a fully fitted kitchen also benefits from double doors leading out to the garden, providing a natural connection between indoor and outdoor living. The first floor offers three well proportioned double bedrooms, each enhanced by attractive bay windows that draw in plenty of natural light, along with a family bathroom. The top floor provides a further double bedroom with its own shower room, a large storage cupboard and extensive eaves storage, making it an ideal principal suite or guest accommodation. Externally, the property truly stands out. The wraparound garden, made possible by its corner position, provides both front and rear outdoor space, offering a sense of openness and privacy that is rarely found with similar homes. Due to the depth of the garden and the unique positioning on the corner plot, there is also clear potential for further development at the rear, subject to the usual planning permissions and consents. This adds a rare and valuable opportunity for future enhancement. A well balanced and versatile family home in a highly desirable position, combining immediate enjoyment with longer term potential. Situation Chesterfield Road is a wide tree-lined street and one of Chiswick's premier addresses in Grove Park. It is approximately 0.4 miles from Chiswick rail station (25 minutes to Waterloo) and 0.7 miles to Chiswick Park and Gunnersbury stations (District Line and Overground). It is also very close to Chiswick House and Grounds and the River Thames. This location offers easy access to central London via the A4, and via the M4 for Heathrow Airport and the west of England. Chesterfield Road has an abundance of good schools locally including Grove Park Primary School. Property Ref Number: HAM-64548
