Description

Positioned on an attractive street in West Hampstead, this exceptional four-bedroom home offers over 1,500 sq ft of beautifully arranged living space, combining elegant proportions with a highly versatile layout. Positioned on an attractive residential street in West Hampstead, this exceptional four-bedroom home offers over 1,500 sq. ft of beautifully arranged living space, combining elegant proportions with a highly versatile layout. The apartment benefits from a well-balanced flow, bright interiors, making it perfectly suited to both family life and stylish entertaining. The first floor provides a spacious double bedroom alongside a well-appointed bathroom, creating an ideal guest suite or refined home office setting. The principal living level occupies the second floor, where a stunning reception room with a charming bay window forms a sophisticated entertaining space, flooded with natural light. To the rear, a generous kitchen and dining area offers a seamless setting for both everyday living and hosting, complete with ample workspace and a sense of openness. An additional bedroom on this floor adds further flexibility. The upper floor comprises two impressive double bedrooms, each offering excellent proportions, complemented by a family bathroom. Situation Ideally located, the property is moments from the vibrant amenities of West Hampstead, including an array of independent cafés, restaurants, and boutiques, as well as superb transport connections via the Jubilee Line, Thameslink, and Overground. Property Ref Number: HAM-64701
