Description

Modern 5 Bedroom North-facing Nico Van Der Meulen Designer home in Dainfern Valley. Top Jozi Listing PropertyView by appointment only This modern beautifully designed home is unique, and one can call it a masterpiece. Open plan living right on the edge of the Jukskei River banks with plenty of bird life and serenity that makes one feel that one has escaped the hassle and bustle of the suburban life. Own borehole and back up solar with inverter. You enter an expansive double volume entrance hall with a beautiful Koi Pond, that leads one into a home with plenty of upmarket features. 3 large reception rooms from the formal dining room to 2 lounges with a double-sided fireplace. Indoor braai area. Great indoor entertainment areas from the pajama lounge, with a pool table for family entertainment to a fully equipped movie theatre room. 4 north-facing double bedrooms all with their own en suite bathrooms, walk-in wardrobe, and private balconies. The master bedroom with built-in fireplace, walk-in wardrobe area and large balcony. Modern fully equipped kitchen with breakfast nook. Stove that is both gas and electric. Plus, a large pantry and scullery and laundry area. Well-manicured landscaped garden with an entertainment area and infinity swimming pool, equipped with solar blankets. Other features: Plenty of storage space & underfloor heating throughout the house. Air conditioning in every room. Domestic quarters suitable for 2 people that includes a large balcony. Office space with a separate entrance. 3 garages plus large drive way. Sound system in all rooms that is managed via an app. Off the grid features include: Solar system that is managed by an app. Energy-saving LED lighting that lights up the house. Own borehole system. Double Domestic quarters. Contact our agent for a private viewing.
