Description

This beautifully maintained property offers the perfect blend of comfort, convenience, and classic character. Nestled in the established MacArthur Terrace neighborhood, this home features 4 bedrooms and 2 baths. Step inside the front door to a formal living and dining room filled with natural light, highlighted by a large windows with window seat/shelf. Through the dining room to the kitchen, you will find ample cabinetry, Silestone counter tops with undermount stainless steel sink and a goose neck rubbed oil bronze Moen faucet. Stainless steel appliances, include a built in-oven, vent hood and dishwasher. A smooth, glass top electric cook top is also featured. The kitchen also fetures a cozy breakfast area, which is flooded with natural light and overlooks the backyard. Adjoining the breakfast area, you will find a spacious family room with a vaulted, beamed ceiling, complete with ceiling fan for comfort. A double French patio door invites you outdoors to the spacious backyard shaded by mature trees, complete with an over size patio ideal for weekend barbecues or relaxing evenings. The master bedroom suite provides a private retreat with a shower that features a fold down seat and grab bars. The three other bedrooms feature classic wooden shutters for window coverings and share a bathroom with extended vanity and cabinet space with a combination tub/shower set up. Updated ceramic tile floors are located in entry hall, kitchen and utility room, while the the formal living and dining areas feature original parquet wood floors that also extend through all four bedrooms - a rare and timeless touch that adds warmth and character. This beautiful home is perfectly located within minutes to San Antonio International Airport, Military bases and major highways (Loop 410, Hwy 281 and IH 35).
