Description

Welcome to 7806 Misty Park St, a beautifully reimagined 3 bedroom, 2 bath home that blends modern upgrades with timeless character. Step inside this open-concept living space, where a stunning floor-to-ceiling brick fireplace creates a warm focal point. The interior features new vinyl flooring throughout, fresh interior and exterior paint, and upgraded lighting, including recessed lights in the kitchen. The remodeled kitchen and bathrooms showcase brand-new cabinetry, beautiful quartz slab countertops, and a full suite of new stainless-steel appliances, perfect for both everyday living and entertaining. Major system updates include a modernized electrical panel, new fixtures, along with updated plumbing, featuring all-new faucets, sinks, tubs, toilets, and shower fixtures. Additional recent improvements continue with a new front door with glass toplite, gas logs in the fireplace, and refreshed landscaping for great curb appeal. The HVAC system and roof were replaced approximately within the last 5 years, and the water heater was replaced approximately 2 years ago. This home offers the perfect balance of modern convenience and stylish finishes. Don't miss your chance to own this beautifully remodeled home in a convenient location!
