Description

A beautiful home with great space for indoor and outdoor entertaining and added solar panels for energy efficiency! A light and bright open concept home with new flooring downstairs and a large eat-in kitchen with a granite breakfast bar, granite island, granite countertops, recessed lighting and stainless steel appliances among the many highlights! Upstairs is a massive game room, huge primary bedroom with ceiling fan and en suite with double vanity sinks, large walk-in shower and walk-in closet along with 3 ample-sized secondary bedrooms! Out back is a covered back patio! A great home in a great location near shopping and bases!
