Description

Welcome to this beautifully maintained and thoughtfully updated home, offering the perfect blend of comfort, style and convenience. Sun-filled interior features gleaming hardwood floors throughout, striking wrought iron staircase and a front to back fireplaced living room, ideal for both entertaining and everyday living. Formal dining room with custom built-ins and a beautifully renovated kitchen with french door to a spacious deck create a seamless indoor-outdoor flow. Inviting family room offers additional space to relax and unwind. Mudroom with direct access to a heated two-car garage adds convenience. Second level includes a gracious primary suite with primary bath, a spacious second bedroom and an oversized third bedroom with cathedral ceilings and abundant storage. Third floor offers a versatile bedroom and bonus space, perfect for guests, office or playroom. Finished lower level with full bath completes four levels of living. Classic elegance and modern updates.
