## Description

Move right into this beautifully renovated 4-bedroom Colonial, where timeless architecture meets modern, turnkey living in one of Westfield's most sought-after neighborhoods. From the moment you arrive, the home exudes warmth and charm, with sun-drenched interiors and a seamless flow designed for both comfortable everyday living and effortless entertaining. A thoughtfully executed renovation enhances the home's livability while preserving its classic appeal, creating a space that feels both elevated and inviting. The main level offers gracious living and dining spaces, while upstairs, three bedrooms provide exceptional flexibility for today's lifestyle whether for guests, work-from-home needs, or growing households. The third floor offers a fourth bedroom/flex space. The finished basement adds an entirely separate layer of living, ideal for a media room, gym, or play space. Outside, a private, fully fenced backyard offers the perfect setting for relaxing, entertaining, or simply enjoying quiet moments at home. Every detail comes together to create a property that feels complete, comfortable, and ready to enjoy from day one. Ideally located close to Westfield's vibrant downtown, top-rated schools, parks, and NYC transportation, this is a rare opportunity to secure a truly turnkey home in a premier location. Homes like this do not come to market often ...don't miss it! Solar panels are transferrable.
