Description

Under contract-accepting backup offers. Bright, welcoming, and built for everyday living and entertaining, this remodeled home brings together comfort, function, and location. The home has been completely remodeled with 4-bedroom, 2-bath POOL home offers a split floor plan, abundant of natural light, and the kind of layout buyers are looking for in St. Petersburg. Hurricane-rated windows fill the living room with natural light, while the freshly painted exterior and refreshed landscaping add strong curb appeal. The kitchen opens to the living room, creating a natural gathering space for entertaining and everyday life. With plenty of cabinetry, a large island, and a gas stove, this space is designed for both function and connection. There is also an additional family room for relaxing and a formal dining room that leads to the screened lanai, complete with a grill area and cleanup sink for easy outdoor living. The three other bedrooms are spacious and privately situated off the family room, along with the guest bathroom, giving the home a comfortable and practical flow. Out back, the pool adds to the Florida lifestyle, with room left over for green space for pets, play, or gardening. Located in Shore Acres, this home is surrounded by neighborhood amenities that make daily life feel connected and convenient. Enjoy nearby parks, the newer Shore Acres Recreation Center offers camps, a variety of classes, and a community pool, a local market, a fire station, Mangrove Bay Golf Course, and nearby top-rated schools. Just down the street, a neighborhood park (Denver Park) offers pickleball, tennis courts, a fenced playground, volleyball, baseball fields, and open green space. This is the kind of neighborhood where you can walk, know your neighbors, and where neighbors become friends. Just 3 miles from vibrant downtown St. Petersburg, you are close to waterfront parks, live music, the St. Pete Pier, local cuisine, shopping, and some of the area's best museums. Don't miss your chance to own a remodeled pool home and start living the lifestyle you have been searching searching for.
