Description

Rare 4-bedroom, 3-bath home offering 1,800 finished square feet in the sought-after Northeast Minneapolis Arts District. Full of character, this home features hardwood floors, natural woodwork on the main level, and a welcoming front porch perfect for morning coffee or relaxing with a book. Step inside to a spacious and versatile main level with living room, dining room, kitchen, two bedrooms (flex to office or play space), and a full bath with a classic clawfoot tub. The kitchen includes stainless steel appliances and luxury vinyl plank flooring. Upstairs, you'll find two additional bedrooms, a beautifully updated and spacious ceramic-tile full bath, and a landing area ideal for a study nook or home office. The large primary bedroom offers excellent headroom, a walk-in closet, space for a reading or work area, plus an additional closet for extra storage. The lower level includes a very nice ceramic bath, small playroom or flex space, and room to finish a future family room. Enjoy the fully fenced backyard with patio, firepit, raised garden beds, and compost bin-perfect for gardening, entertaining, small children, and pets. Garage has capacity to be reconfigured with new door to hold 2 cars. Conveniently located near parks, neighborhood grocery stores, restaurants, breweries, and local artist studios.
