Description

Exceptional Space & Endless Potential in Western Springs. Set on a beautifully landscaped lot in the sought-after Springdale neighborhood, this expansive home offers an ideal layout and incredible opportunity for customization. Designed with both everyday living and entertaining in mind, the standout feature is the sprawling first-floor primary suite-complete with a walk-in closet and ensuite bath-providing a highly desirable main-level living option rarely found at this price point. A welcoming foyer with a dramatic curved staircase opens to generously sized living and dining spaces. The sun-filled living room features a gas fireplace, custom built-ins, wet bar, and beamed ceiling, creating a warm and inviting setting. The adjacent dining room connects seamlessly to the kitchen through a convenient pocket door. The eat-in kitchen is well-appointed with granite countertops, an oversized island with cabinetry on all sides, and premium appliances including Dacor double ovens, gas cooktop, and Bosch dishwasher. A bright breakfast area with bay windows overlooks the backyard, while a charming Dutch door provides direct access to the paver patio-perfect for indoor/outdoor living. Additional main level highlights include a private office/den, spacious mudroom/laundry room with garage access, and abundant storage throughout. Upstairs, you'll find four generously sized bedrooms, multiple walk-in closets, and two full baths-offering flexibility for family, guests, or work-from-home needs. The open landing overlooking the foyer enhances the home's airy feel. The full basement offers an expansive footprint with endless possibilities for finishing, recreation, or storage. With solid construction, a functional layout, and nearly 4,000 sq ft of living space, this home presents a rare opportunity for renovation or personalization in a prime location. Bring your vision and unlock the full potential.
