## Description

Welcome to 1210 Emerald Gardens...where easy living meets the lifestyle you've been waiting for in the highly sought-after community of Ohmes Farm. If you've been dreaming of maintenance-free living, this is it. Lawn care and landscaping upkeep plus snow removal are all handled for you- so you can spend more time doing what you love and less time worrying about weekend to-do lists. This beautifully designed detached ranch-style villa offers over 3000 sq. ft. of living space, with an open, airy layout that immediately feels like home. The main level features 3 spacious bedrooms and 2 full baths, including a private primary suite with a double vanity and walk-in shower. Soaring ceilings, hardwood flooring, and a bright, open floor-plan create a warm and inviting atmosphere throughout. The kitchen is truly the heart of the home-complete with a large center island, breakfast bar, large pantry, and solid surface countertops-perfect for everyday living and effortless entertaining. Right off the Kitchen is the all-seasons room with new Anderson Windows. It flows seamlessly into the dining area and great room, where a cozy fireplace and wall of windows add both comfort and charm. Downstairs in the partially finished lower level you'll find even more flexible space with including a wet bar, 4th bedroom, full bath, and additional room for a recreation area, home office, or guest suite-whatever fits your lifestyle best. Additional highlights include: Main floor laundry for everyday convenience, 2-car garage, energy-efficient features and insulated windows, located in the highly regarded Ft. Zumwalt School District. This is more than just a home-it's a chance to simplify your lifestyle without sacrificing space, style, or location. Why build when perfection is already here? Come experience everything 1210 Emerald Gardens has to offer...you just might fall in love. Showings to start on Thursday 4/30/26. Open house Saturday May 2 from 1-3.
