Description

Welcome to a beautifully maintained home located in the highly desirable Cumberland Valley School District. This residence offers a modern, contemporary design with an open-concept layout and numerous upgrades throughout. The first floor features recently installed ceramic tile flooring and a spacious layout ideal for both everyday living and entertaining. The kitchen is a standout, featuring granite countertops, a subtle blue backsplash, and a convenient pantry for added storage. Tasteful crown molding is installed in select areas, enhancing the home's overall elegance. The home offers four generously sized bedrooms on the second floor, each with ample closet space. New garage doors The exterior showcases attractive stone veneer accents and a charming front column, complemented by a large open front yard space that enhances curb appeal and creates a welcoming setting. Situated on a 0.27-acre lot, the backyard is equally impressive- featuring a composite deck, a beautiful patio, and well-designed landscaping, perfect for outdoor gatherings and relaxation. The partially finished basement (approximately three-fourths complete) adds valuable living space, and along with a dedicated unfinished storage area providing excellent additional utility space. A potential post-settlement lease-back may be requested; however, this will be subject to the seller's final decision and agreement with the buyer. Additional features include a well-maintained two-car garage with finished flooring, adding both functionality and style. This home offers the perfect blend of comfort, style, and location- don't miss the opportunity to make it yours! Conveniently located just minutes from grocery shopping, with easy access to walking and biking paths, and within a short walk to a nearby nature creek Updates: Ceramic flooring installed throughout the first floor (July 2025). Garage door replaced (April 2026). Professional landscaping completed (June 2022). Finished basement (January 2020). Garage flooring updated (August 2025).
