Description

Welcome to this beautifully updated home in one of NW Raleigh's most sought-after established neighborhoods. Perfectly blending timeless charm with modern upgrades, this 4-bedroom, 2.5-bath residence offers space, style, and comfort in an unbeatable location. Step inside to a dramatic two-story foyer and an inviting, light-filled layout designed for both everyday living and entertaining. The expansive family room features a cozy fireplace and flows seamlessly into a stunning, oversized kitchen--complete with stainless steel appliances, abundant cabinetry, and generous workspace. Upstairs, retreat to the spacious primary suite with a cathedral ceiling, creating a true sense of openness and relaxation. Updated flooring in the primary and guest bathrooms adds a fresh, modern touch. Enjoy North Carolina living at its best from the screened porch overlooking a professionally landscaped, fenced, private backyard--perfect for morning coffee or evening gatherings. Additional highlights include plantation shutters, a dedicated laundry room, and a two-car garage. With durable, low-maintenance aluminum siding, a two-year-old roof, new LVP flooring, recently painted interior, a well-maintained HVAC system, and fully encapsulated crawl space, this home is truly move-in ready. Ideally located in the heart of NW Raleigh, close to shopping (Crabtree Valley, North Hills), dining (you can pretty much name one), parks (Shelly Lake, Lake Lynn, Brookhaven Nature Park, Wooten Meadow Park), and major conveniences (grocery, medical, financial)--this is a rare opportunity to own a thoughtfully updated home in a prime location. Don't miss your chance to make it yours.
