Description

Welcome to this like-new end unit townhome - with a hard to find 2 car garage - built in 2023, offering modern finishes, abundant natural light, and a highly functional open-concept layout. Enter the main floor to luxury vinyl plank flooring, 9-foot ceilings, and crown molding throughout. The gourmet kitchen is a standout, equipped with quartz countertops, a tile backsplash, stainless steel appliances including a convection oven with a gas range, and an oversized island with seating. Ample cabinet and counter space, along with a large walk-in pantry, provide ultimate functionality. The kitchen is open to the dedicated dining area and living room. The light filled living room features custom built-in shelving and a cozy gas fireplace. It also provides access to the private back patio that overlooks a grassy backyard into a wooded buffer. Heading up the wood tread stairs, the primary suite offers a relaxing retreat with a tray ceiling, a large walk-in closet with built-in shelving, and a spa-inspired ensuite bathroom featuring dual vanities, a tiled walk-in shower, water closet, and linen storage. Additional bedrooms are generously sized, include ceiling fans, and share a full bathroom. Additional highlights include the versatile loft area providing flexible space for a home office, media room, or play area and a walk-in laundry room with tile flooring, shelving, and a utility sink. This smart home is equipped with a Ring doorbell and smart thermostats, and includes a refrigerator, washer, and dryer for added convenience. Located in a desirable community featuring a pool, playground, trails, and guest parking, this home also offers easy access to major highways including I-40, I-42, 540, and Highway 70, as well as nearby shopping and dining at White Oak Crossing.
