Description

Beautiful single-family home in the heart of Hewitt, TX 2,699 SF with 4 beds and 3 baths, thoughtfully updated and move-in ready. The open-concept main level flows effortlessly from an updated kitchen into a bright living area anchored by a striking floor-to-ceiling brick fireplace finished in calming, neutral tones throughout that create a warm, cohesive backdrop for any decor. The main-level primary suite is a true retreat, offering an oversized bedroom, a designated work-from-home office, and a newly designed ensuite with a walk-in shower and relaxing garden tub. Three generously sized secondary bedrooms (two upstairs) provide flexible space for family, guests, or hobbies. Outside, mature, established trees grace the front yard, blanketing the house in dappled shade and enhancing curb appeal. Enjoy outdoor living and entertaining with a private in-ground fiberglass pool and an expansive corner lot with plenty of room for play or future enhancements. Ideally located near schools, shopping, and local amenities, this home blends timeless style, practical updates, and comfortable indoor and outdoor living dont miss your chance to see it!
