Description

Welcome to one of the area's most sought after communities, Carriage Hills, where established charm, desirable amenities, and a prime location continue to make this neighborhood a standout among buyers. Ideally positioned between Wrightsville Beach and Carolina Beach, this location offers the best of coastal living with quick access to both shorelines, while also being just moments from the vibrant lifestyle offerings of The Pointe at Barclay Commons. Tucked away on a quiet cul-de-sac and set on nearly half an acre backing to Barnards Creek, this 4 bedroom, 2.5 bath home offers a rare combination of privacy and everyday convenience. Mature landscaping and a serene natural backdrop create a setting that feels both peaceful and inviting. Inside, the main level is designed for comfortable living and effortless entertaining. A spacious living room with vaulted ceilings and expansive windows flows seamlessly into the dining area, highlighted by classic chair rail detailing. Just off the kitchen, a cozy family room features a new electric fireplace with custom built-ins, creating a warm and welcoming gathering space. Positioned at the rear of the home to capture tranquil backyard views, the kitchen offers solid surface countertops, white cabinetry, stainless steel appliances, and a bright breakfast nook with a bay window. A powder room and laundry room add everyday functionality, while upgraded flooring runs throughout the main living areas downstairs and continues into the upstairs primary suite and bath. Updated light fixtures and crown molding throughout much of the main level add a refined finishing touch. The upgraded stair banister adds a polished architectural detail as you head upstairs, where all four bedrooms are thoughtfully arranged. The spacious primary suite features vaulted ceilings, a walk-in closet, and a well appointed ensuite bath with dual vanities, a walk-in shower, soaking tub, and private water closet. Outdoor living is just as inviting, with a rear deck extending off the family room overlooking the beautifully landscaped backyard, an ideal setting for entertaining or unwinding. A side load garage enhances curb appeal, while the extended driveway provides ample parking. Carriage Hills is known for its strong sense of community and desirable amenities, including a clubhouse, swimming pool, tennis courts, and playground, enhancing both lifestyle and long term value. One of the standout features of this location is its proximity to The Pointe at Barclay Commons, one of Wilmington's premier lifestyle destinations. Here, you'll find a dynamic mix of local restaurants, national favorites, boutique fitness studios, coffee shops, and everyday conveniences, along with a luxury movie theater offering a true night-out experience. Whether it's dinner with friends, catching the latest film, or running quick errands, everything you need is just minutes from your doorstep. If you've been waiting for an opportunity to get into one of the area's most popular neighborhoods with space, privacy, and amenities--while enjoying close proximity to both Wrightsville Beach and Carolina Beach, along with some of Wilmington's best shopping, dining, and entertainment--this is one you won't want to miss.
