Description

Welcome to coastal charm in the heart of 'The Loop'--where timeless Charleston style meets modern comfort. This beautifully renovated home captures the essence of Lowcountry living with double front porches overlooking a peaceful pond, the perfect spot for morning coffee or evening sunsets. Ideally located in the highly sought-after Middle Sound Loop area, you're just minutes from Wrightsville Beach and can easily bike to Mayfaire and The Bend for shopping, dining, and entertainment. Inside, the home was thoughtfully updated in 2022 with a bright, open floor plan designed for both everyday living and entertaining. The kitchen is a standout, featuring white shaker-style cabinetry, granite countertops, a spacious island, and modern finishes throughout. Luxury vinyl plank flooring runs throughout the main level, complemented by abundant natural light and stylish modern light fixtures. The living area offers a warm, inviting feel with a gas fireplace accented by a shiplap feature wall and custom built-ins with stained floating shelves. A flexible family room or office space with a sliding barn door adds both character and functionality, along with a convenient drop zone for everyday organization. Upstairs, the expansive primary suite is a true retreat with private access to the upper porch, a large walk-in closet, and an updated bath featuring a new vanity, lighting, and plumbing fixtures. Two additional guest bedrooms, new carpet throughout the second floor, and a beautifully updated hall bath with LVP flooring and a craftsman-style vanity complete the space. Step outside to a private, fenced backyard with a deck and patio--perfect for relaxing or entertaining. Rear alley access provides convenient driveway parking. Residents of this desirable neighborhood enjoy sidewalks, a community pool, playground, and a large open green space--ideal for an active coastal lifestyle. This is more than a home--it's a lifestyle in one of Wilmington's most coveted locations.
