Description

Welcome to a rare opportunity to own a beautifully updated one-story, end-unit brick condo in the highly desirable Willoughby Park community in Wilmington--where you truly have no one living above you, offering a level of privacy and quiet that's hard to find in condo living. Combined with its end-unit positioning and additional windows, this home is filled with natural light and lives more like a private residence than a typical condo . Step inside to a spacious, open-concept layout featuring wide-plank luxury flooring, soft neutral tones, and a seamless flow between the living, dining, and kitchen areas. The oversized living room is anchored by a cozy fireplace and enhanced by high ceilings, creating an open yet comfortable space for everyday living or entertaining. Large sliding glass doors bring in natural light and lead to a private outdoor area, extending your living space outdoors. The kitchen has been thoughtfully updated with a clean, modern design, showcasing solid surface countertops, stainless steel appliances, a stylish blue-toned tile backsplash, and a striking combination of white upper cabinetry and blue lower cabinets. A generous bar area provides additional seating and connects effortlessly to the main living space, making it a true focal point of the home. The split-bedroom layout offers both comfort and privacy, with a well-sized primary suite and two additional bedrooms that work perfectly for guests, a home office, or hobbies. Both bathrooms maintain a fresh, neutral aesthetic, and a dedicated laundry room adds convenience and extra storage. Additional highlights include central heating and air, natural gas service, assigned parking, and move-in ready condition. Willoughby Park provides a truly low-maintenance lifestyle--as well as access to a community pool and common areas . Ideally located near Monkey Junction, this home is just minutes from shopping, dining, medical facilities, and a short drive to Carolina Beach, downtown Wilmington, and The Pointe at Barclay. If you've been searching for low-maintenance living without sacrificing privacy, space, and comfort, this one-story brick end unit with no upstairs neighbors stands out in a big way.
