## Description

Nestled in the San Carlos hills with sweeping canyon views, this meticulously remodeled 4 bedroom, 2.5 bath home delivers a rare combination of privacy, functionality, and close proximity to vibrant downtown. The thoughtfully designed layout offers distinct yet connected living areas, creating natural separation ideal for everyday living, working from home, and entertaining. Both living areas open directly to the outdoors for seamless indoor-outdoor living. The renovated kitchen anchors the main level, positioned between the dining and family rooms creating a true gathering space. Featuring quartz countertops, custom cabinetry, premium stainless steel appliances, and white oak floors, this home balances elevated design with everyday functionality. Upstairs, the serene primary suite opens to a private balcony with scenic views and three additional large bedrooms complete the sleeping quarters. Step outside to the flat, private backyard oasis, perfect for entertaining and relaxing. A detached bonus space adds flexibility for an office, gym, or art studio. Transportation to highly acclaimed Carlmont High School and top-rated San Carlos schools is just steps away, with convenient access to nearby commute routes, parks, and trails.
