Description

Welcome home to a place that blends thoughtful design with understated elegance. Located in the heart of Weston with access to A-rated schools, this 4-bedroom, 2.5-bath home is designed for connection, comfort, and creating lasting memories. At the center of it all is a beautifully remodeled kitchen that opens seamlessly to the family room; perfect for entertaining, family dinners, or simply enjoying a quiet night in while staying connected. Step outside to a spacious lake-view backyard with plenty of room for kids to play, guests to gather, and sunrises to unwind. The kitchen truly shines as the heart of the home, featuring high-end stainless steel appliances, custom cabinetry to the ceiling, and an oversized island with seating for six. The countertops are Cambria Berwyn, elegant with a subtle sparkle, a perfect reflection of the home itself. A charming breakfast nook completes the space, overlooking a stunning view. Coffee in hand, sunrise in view...moments like this are priceless. Upstairs, the primary suite offers more than just a place to rest, it includes a flexible space ideal for a home office, workout area, or a cozy reading nook. With impact glass throughout, a 2019 roof, and fresh exterior paint, this home is move-in ready and waiting for its next chapter. All that's missing is for you to make it yours.
