## Description

This Updated and beautifully appointed home offers an impressive 5,626 finished square feet, thoughtfully designed for both everyday living and unforgettable entertaining. The open-layout welcomes you with beautifully refinished hardwood floors and a light-filled great room anchored by a cozy gas fireplace. Designed with entertaining in mind, the great room also features a wet bar and seamless flow into the gourmet kitchen, dining room and multi-level deck. The kitchen is truly the heart of the home, showcasing rich cherry cabinetry, granite countertops, a gas cooktop, double ovens w/warming drawer, and two full-size sinks-perfect for hosting or multi-chef cooking. A large center island with seating for seven makes gathering easy and inviting. Retreat to the luxurious primary suite, complete with a private whirlpool bath, tiled shower, custom walk-in closet, dedicated office space, and direct access to a composite deck shared with the main living area-ideal for morning coffee or evening relaxation. The professionally landscaped, private fenced backyard oasis features a pond, waterfall, boulder accents and beautiful perennial gardens, creating a quiet, serene setting for outdoor enjoyment. The multi tiered composite deck, with post lighting and outdoor sound system, features a cozy 3 season cedar gazebo with an electric fireplace. This home is uniquely suited for multi-generational living or flexible use. The upstairs 2002 addition adds 1500SF of bonus space. Perfect for an art, yoga, dance or photography studio. With a second kitchen, ample work space, storage and a custom DESQ designed office, it is a dream space for a home business. The expansive lower level includes a large family room and recreation room, providing even more room to live, work, and play. Additional highlights include surround sound throughout and multiple indoor and outdoor spaces designed for connection and comfort.
