Description

Welcome to this exceptional brick-front Colonial in the heart of Old Bridge, where timeless elegance meets resort-style living. A grand two-story foyer with a motorized retractable chandelier sets the tone, leading into formal living and dining rooms with rich cherrywood flooring and upgraded moldings throughout. The gourmet eat-in kitchen features high-end stainless steel appliances, granite countertops, and a center island, all opening seamlessly to the great room with a cozy wood-burning fireplace and sliders to the backyard oasis perfect for everyday living and entertaining. Upstairs, convenience meets luxury with a custom laundry room complete with built-in cabinetry. The primary suite is a true retreat, offering a custom-designed closet with glass doors and a spa-like bath with dual vanities, a Jacuzzi tub, and a separate stall shower. Three additional good sized bedrooms all feature high-end custom closet organizers and share a beautifully appointed main bath with a tub/shower. The fully finished basement offers a dedicated gym area along with additional flexible space for recreation, work, or extended living, and includes a full bath with a stall shower. Step outside to a truly spectacular backyard, your own private resort. Designed like a boutique hotel, this outdoor haven features a heated in-ground pool with a slide, spa jacuzzi, Trex decking, outdoor kitchen, lounge areas, and a stunning bar/cabana with storage. The professionally landscaped, fully vinyl-fenced yard and paver driveway complete the picture. Additional highlights include new custom high-end Andersen windows and slider, a striking black steel and glass front door, and a newer multi-zone heating and A/C system. An oversized garage with additional storage cabinets and fridge and don't forget the Generac generator so you will never run out of power! This home is the definition of move-in ready every detail thoughtfully designed and impeccably executed. Contact Joan with any questions, can accommodate a quick closing.
