Description

Perched in the hills of Casa De Oro, this 3BR/3BA ranch style home is a rare opportunity that combines lifestyle, views & future potential. Situated directly across the street from walking trails & Estrella County Park, it sits on a over 1/3 acre & has unobstructable views. The functional, single level layout allows you to move right in & start loving it! But the true standout feature is the lot itself. The unique upper portion of the lot is ideally suited for an ADU or guest home. The elevation & layout allow an opportunity to build while preserving the home's incredible views & privacy. Enjoy as is, expand or maximize the development potential, but don't miss this incredible opportunity!
