Description

Charm and natural light abound in this elegant circa 1870 farmhouse with 9' ceilings and period details throughout! This home is set nicely off the road on a picturesque, nearly acre lot with a pond and nostalgic wooden bridge across a brook to the expansive level lawn area. The first floor lives very comfortably with a sunny eat in kitchen, gracious dining room, cozy den and a beautiful and spacious living room with fireplace. There's also a large mudroom which provides a great drop zone upon entry. Upstairs there are 3-4 bedrooms and a full bath. Enjoy the screened in porch and side patio that overlooks the bucolic landscape. The owner of 50+ years has taken proper care of this antique beauty, including the soon to be installed new 4 Bedroom septic. Opportunity for expansion of this lovely gem!
