## Description

Tucked within the prestigious, gated Buell Mansion community of Cherry Hills Village, this six-bedroom, seven-bath Mediterranean Revival residence offers privacy, scale, and timeless design. Set on a beautifully landscaped homesite surrounded by mature trees, the home welcomes you with classic stucco exteriors, barrel tile rooflines, graceful arches, and a striking turret-style entry. Inside, a soaring foyer with curved wrought-iron staircase opens to light-filled living spaces with warm architectural detail. The main level centers around a secluded courtyard featuring covered patio living, wood-beamed ceilings, fountain, and fireplace. It's truly ideal for everyday enjoyment or entertaining. . A formal dining room sits perfectly between the kitchen and courtyard, offering an elegant yet welcoming setting that feels both special and connected. The kitchen blends custom cabinetry, a generous island, and premium appliances, including a Wolf range and Sub-Zero refrigerator. A private, light-filled office offers a quiet, elevated workspace, while a well-appointed mudroom with custom built-ins adds everyday functionality. Upstairs, the primary suite offers a private balcony, five-piece bath, walk-in closet, and nearby laundry, while three additional bedrooms feature en-suite baths. The finished lower level includes a recreation room, projection theater, bar, wine room, and flexible guest space. An oversized four-car garage and Buell Mansion amenities complete this exceptional offering.
