Description

Nestled in a private setting backing to open space, this beautifully updated home offers the perfect blend of luxury, comfort, and functionality. Soaring ceilings and abundant natural light create an airy, inviting atmosphere throughout. Brazilian cherry hardwood floors span the main level, complementing the thoughtfully remodeled kitchen and updated bathrooms. The kitchen has ample cabinetry, a double oven, large island, and stainless steel appliances. It is situated nicely between the formal dining room and the family room. The kitchen also has a built in desk area and a breakfast nook. The main level bedroom and full bathroom is perfect for guests or in-laws. Upstairs, the expansive primary suite looks out onto the open space beyond the backyard and has a seating area around the fireplace. The primary bathroom is truly luxurious with onyx heated floors, a steam shower and a soaking tub. The primary bathroom also features onyx dual sink vanity plus a makeup vanity and a walk-in closet. Two more bedrooms share a well-appointed hall bathroom. This spacious floor plan features an exceptional upstairs bonus/media room that can serve as a home office or fifth bedroom, with potential for a future ensuite bath. Designed for both everyday living and entertaining, the backyard is a true retreat with a sparkling pool, covered patio, and serene open space views providing ultimate privacy. Ideally located on one of the most desirable streets in Blackhawk, this home combines timeless style with modern upgrades in a picturesque setting.
