Description

Welcome to 476 Gladstone Road, nestled in the highly sought-after Highland Gate community, within the highly acclaimed Neshaminy School District. This beautifully updated 4-bedroom, 2.5-bath center hall colonial blends timeless charm with modern comfort, just in time to enjoy summer in your own private backyard oasis, complete with a sparkling in-ground pool. Step inside to find luxury vinyl plank flooring throughout the main level. The elegant living room, located to the right of the foyer, features a marble gas fireplace and a stunning custom coffered ceiling with recessed lighting. French doors open seamlessly into the inviting family room, where a large box bay window fills the space with natural light, and a floor-to-ceiling gas fireplace with a mantel mount for a large screen TV creates the perfect focal point for relaxing or entertaining. To the left of the entry, the formal dining room offers an ideal setting for gatherings. The updated kitchen is a standout, boasting white cabinetry, quartz countertops, and stainless steel appliances. An adjoining breakfast room with skylight and glass doors leads to a deck overlooking the expansive fenced backyard, complete with a large in-ground concrete pool, spa, and new pool heater (2024), plus a wooden swing set. Additional main floor highlights include a centrally located powder room and a convenient first-floor laundry room. Upstairs, the spacious owner's suite features a large walk-in closet, updated ensuite bath with dual vanities, and an adjoining study with a fireplace (decorative only), perfect for a home office or quiet retreat. Three additional generously sized bedrooms share an updated hall bath. A full, unfinished basement provides abundant storage and endless potential for future living space. Major recent improvements, including a newer roof (2022) and extra-wide gutters (2024), add peace of mind and long-term value. Additional features include a 2-car side-entry garage and a classic brick front exterior. Ideally located within walking distance to Maple Point Middle School, the new Core Creek Elementary School, and Community Park, with easy access to major commuter routes and a wide variety of shopping and dining options, this home truly has it all!
