Description

Wow! Panoramic views, rolling hills, and breathtaking sunsets come together with a rare oversized lot and elevated indoor-outdoor living that define this stunning Toll Brothers masterpiece in Baker Ranch's sought-after Summit tract. Tucked on a quiet cul-de-sac with exceptional curb appeal, this 2017-built Del Rey plan sits on a premium wider 7,172 SqFt lot featuring an extra-deep driveway, inviting courtyard entry & expansive wrap-around yard offering privacy & impressive scale. A dramatic two-story foyer and sweeping curved staircase set the tone, while disappearing walls of glass open the home completely to the outdoors, filling every space with natural light. Italian ceramic tile flows throughout the main level and extends to the backyard for a seamless indoor-outdoor feel, while automated shade screens in the great room and California room enhance year-round comfort and livability. At the heart of the home, the chef's kitchen showcases an oversized island, built-in refrigerator, double ovens, and a 6-burner KitchenAid range with griddle, complemented by a convenient prep kitchen with sink, second dishwasher, and abundant storage adding exceptional function for everyday living & effortless entertaining. A fully customized workshop, originally a tandem third-car garage space, features built-in cabinetry, a utility sink, and generous workspace for hobbies or projects. The desirable main-level bedroom suite offers serene courtyard views & flexibility for guests, while a separate powder room is ideal for visitors. Upstairs, a spacious loft anchors the secondary bedrooms each with a dedicated bath, including one with a private front balcony. The lavish primary suite boasts a huge spa-like bath & custom walk-in closet, while stacked glass doors open to the showpiece: an expansive covered deck with frameless glass railings and unobstructed panoramic views. Enjoy romantic sunsets, Disneyland fireworks, and even downtown LA vistas on clear days. The resort-style backyard is designed for entertaining, with an alluring California room, Lynx BBQ, fire pit, putting green, low-maintenance artificial turf, and sweeping sunset views backing to Promenade Park.
