## Description

If you've been dreaming of the kind of place where the sunsets stop you in your tracks...this is it. Tucked away on a quiet road in Big Pine Key, this 2 Bedroom 2 Bath plus 1 Bedroom 1 Bath Guest Cottage one-of-a-kind point property delivers something incredibly rare in the Florida Keys, open water views and protected dockage, all wrapped into a private tropical setting on over an acre and a half. Start your mornings launching a paddle board from your sandy beach. Spend your afternoons out on the water with immediate ocean access from your concrete dock with 10K lb boat lift and concrete ramp or lounging by your heated and chilled pool. And in the evenings? Head to the tiki hut or firepit and watch the sky light up in color as the sun melts into the water. Inside the main home the vibe is pure mid-century coastal charm with highly polished terrazzo floors, wood-style plank ceiling and water views from every room through large impact picture windows. 400 sq. ft front and back screened porches enjoy open water or pool views. The detached Guest Cottage sits atop the 2-Car Garage with additional storage. The pool sits right in the middle of it all, heated, chilled and surrounded by colorful landscaping creating a true resort-style feel. The gated entryway enjoys a scenic drive past towering palms and tropical gardens leading you to the Guest Cottage and ending at Main Home. Additional highlights include RV parking with electric service, full irrigation system with separate water meter, and additional storage.
