## Description

Step into a gated modern estate that delivers the ultimate blend of privacy, design, and resort-style living in one of Miami Shores' most sought-after locations east of Biscayne. From the moment you enter, soaring ceilings, a dramatic floating marble fireplace, and a wide open layout create an immediate sense of scale and impact, all seamlessly connected to the outdoor living spaces and pool. The chef's kitchen is designed to impress and perform, featuring custom teak cabinetry, marble countertops, and a refined breakfast banquette that anchors the space. The primary suite offers a true retreat with grand volume, a private terrace, and a spa-inspired bath that rivals luxury hotels. The outdoor experience is where this home truly stands apart. A 50 ft pool, sauna, expansive lounge areas, and a fully equipped summer kitchen set the stage for unforgettable entertaining. Elevated above it all, a covered lounge with a full wet bar, accessible from both the exterior and second level, delivers a one of a kind vantage point and experience rarely available. A detached 1 bedroom, 1 bathroom guest house, spacious two car garage, gated side parking, electric vehicle charging, and a Control4 smart home system complete the offering. With rare duplex zoning and a prime east of Biscayne location, this is a unique opportunity that demands to be seen in person. Residence offers gated side parking + AC garage with electric charging station + Control 4 Smart system for the entire home.
