Description

This beautiful brick home in Lancaster is full of warmth, charm, and newly renovated living space. Originally built in 1925, this inviting property blends character with modern updates designed for comfortable everyday living. Step through the front door into the foyer and you'll find luxury plank flooring, fresh paint, and beautifully detailed woodwork: broad baseboards, carved doorframes, and high ceilings. The foyer leads you to the living room with large windows looking out on the sheltered front porch. The natural light and cool, clean color palette make the space feel open, airy, and welcoming. The dining room and spacious eat-in kitchen offer plenty of room for cooking, gathering, and entertaining. From the kitchen, step out into the back patio and garden, perfect for relaxing mornings, container gardening, or quiet evenings under the stars. Upstairs, you'll find 3 comfortable bedrooms plus an additional bedroom on the third floor that can easily serve as a private primary suite, home office, or creative retreat. The bedrooms are bright with ample storage, and each offers unique architectural details that bring character and charm to every space. A beautifully updated full bathroom completes the upstairs. This move-in-ready home also features a new gas HVAC system, new AC condenser unit for year-round comfort, new electrical panel, new roof, updated bathroom, new flooring throughout, new solid wood doors, and all updated plumbing. With the perfect combination of modern updates, and flexible space in the heart of Lancaster, this would be a great home to make your own.
